Newrout, E. I., Aug. 25.—The play in the national tennis tournament this morning resulted: Third round—Wrenn beat Budlong, Stevens beat Ames, Hovey beat Post, Larned beat Gryorth.

The programme for the day included the eight natches in the third round. The match between Hobart and the younger Hall called forth some of the best tennis seen during the tournament. Hall in the early games of the set did not seem to have quite worked up, but soon raised himself. Mainly upon his more careful and generally better play he crept up noint by noint. E. L. Hall beat Hobart 5-6, 4-6, 4-6, 6-2, 6-4.

It was late this afternoon when the last match in the third round was finally completed. The most interest was decided, in that between Sam Chase and Smith, of Philadelphis. This added another to the long list of surprises thus far recorded. Smith was expected to win easily from Chase, who, in spite of longer experience, has not been doing such good work recently as in years past. Smith, who was looked to as most likely to stay to the end, was for some reason unable to maintain his pace and fell off badly UNIONTOWN, Aug. 25.-William Crago, blind soldier living near Carmichael, Greene county, was robbed Tuesday night by unknown thieves. Violent Exercise.

Fat is a vulgar word. Too much adiposis or obesity sounds better. But fat is plainer. You cannot reduce it by violent exercise. There are two kinds of fats.

The unhealthy adipose tissue, resulting from sedentary habits or from forcing the appetite through stimulants; or from impure blood, or it may be hereditary. This is the kind that lays the possessor liable to heart disease, apoplexy, vertigo, etc.

Then there is the genuine, healthy, life-giving tissue, the result from regular and moderate habits, or if irregular habits, the taking regularly and according to directions the famous Carlsbad Sprudel Salt. The Salt will reduce unhealthy tissue and build in its place that firm and solid flesh which is the certain sign of perfect health. It is virtually taking the Carlsbad treatment in your home. MADE A BAD START.

Our Sluggers Are Beaten in the First Inning By the Phillies.

It may be very easy to account for the defeat of our sluggers at Exposition Park yesterday by the Phillies, Some people

might think that there was a powerful at work in the way of the presence of a brass band on the grounds and also the fact that it was ladies' day. But the plain and stubborn

fact of the mat ability of our sluggers to slug the ball. As far as knocking out safe hits were concerned they were nowhere and after everything is

oall about the lot are the winners. That is just what the local players have not been doing lately.

Timely Hits Wore Absent. A few good and timely cracks would have won yesterday's game easily. Knell was in the box for the visitors, and he looked every inch like a gentleman that could be touched up without much trouble. He was very wild at stages, and in the way of giv-ing bases on balls he gave the home players many a good chance to win. Wild as he was several times the local men had not patience to wait for their bases, but swiped

When Kneil did get the ball across the plate he was a puzzler to the home batters. He may not be able to fool other teams very much, but yesterday he was very effective against the home team. But it is only fair to say that luck was dead against the home players. Several times some of them hit the ball good solid cracks, good enough for two or three bases, but the ball would go straight into somebody's hands.

In this respect, that is relative to lucky and unlucky bits, fortune was all on the

side of the visitors. Lots of Ladies Were Present. The weather was very unfavorable, as rain tell at intervals until two or three innings had been played. It was ladies' day, however, and, as a result, there were nearly 3,000 people in the grounds. ladies were very numerous, and only about 1,200 of the spectators paid admission

money. Whether or not the band and ladies' day has any bad influences may be hard to determine, but the fact remains that our sluggers lose on such occasions. The game was lost in the first innine At that early stage the Phillies got a lead that was never overcome, and they only made three runs at that. Ehret started out badly, and he was more responsible for the runs then anybody else. After that he pitched a good game, and he would have been on the winning side if two or three more safe hits had been made by his colleagues. The fielding of the home players

was not of the best in many respects, but the errors made were not very costly. The visitors played an excellent game, and, although the veteran Harry Wright has both Cross and Clements on the disabled list, he has a fine team.

The Visitors Fie'ded Wel'. Their fielding yesterday was first-class. Altogether the contest was a good one to see, as the score was close enough to keep everybody interested in every movement, because right to the last inning there appeared to be good hopes of the locals pulling out of the hole. They did not and there was not much complaining about it. Hamilton opened out hostilities and Ehret hit him with the first ball pitched. Charley Reilly dodged about until he sacrificed Hamilton to second and Hallman's sacrifice sent the runner to third. This looked all right, but Farmer Sam Thompson got a hot one past Farrell for two bases and Hamilton scored. This wasn't all. Delehanty whacked the ball to the left center fence for three bags and Thompson scored. Roger Connor knocked a grounder

to first base and the ball struck the bag causing Beckley to muff the ball and Dele hanty got home with the third run. In the fourth the home players com-menced to make runs, but their efforts did not amount to much. After Smith was out Kelly made a three-bagger to left field and

scored on Farrell's single.
In the fifth inning the visitors made their fourth and last run. Hamilton started off with a scratch single, got to second on Reilly's sacrifice and scored on Hallman's single to left.

The home players made their last run in the eighth. Miller got his base on balls and Donovan fouled out. Smith came with a hit to the right fence for three bases, and The next two men went out in order, and Smith was left on third. The score: PITTERUNG, R B P A EPHILA. R B P A Y
